HANNAH EVERETT

HIGH SKILLED CHARACTER AERIALIST

...and one day I heard a shout, it was a tiny, kinky, Patrick Star inside of me SCREAMING to be let out!? I feel the most free on stage with a cone head on top and pleasers on my feet (or fins? Or arms?) celebrating the joy of authenticity with audiences. I am known for my goofy characters on aerial apparatuses, always accompanied by a strong sense of musicality and a sprinkle of oddity.

I am freshly based in New York City with 6 years of experience from my time studying and performing in London and Melbourne. I specialize in aerial chains, straps, bottle walking and drag. My training includes ex-Cirque du Soleil artists Corneilus Atkinson and Alexander 'Sasha' Dobrynin, and award winning physical theatre companies like Lost Dog. This has developed my style to be uniquely quirky, and technical- giving each audience the full experience of jaw dropping theatrics and high level skills. I believe positive shared experiences build strong connections and communities- straight, queer, bendy, under the sea- we all deserve to live life to the fullest and celebrate doing so.
